Blanket, the surface of her

Performance artist Claude Wampler's idea is to lend her mind and body as a canvas for eight different artists, each of whom tells her what to do for 10 minutes. The result promises to be a sort of live-action version of the surrealist game Exquisite Corpse, which, as anyone who's ever tried it can attest to, only works if the players are imaginative and clever. Wampler's crew is indeed both: it features electro-ambient composer Aphex Twin, downtown boundary-breakers Richard Kern and Richard Foreman, and Amsterdam-based "conceptual fashion" designers Viktor & Rolf. Tonight through Sunday, April 6, at P.S. 122, 8:30 p.m. 150 1st Ave. (9th St.), 477-5829.
