**KOOSIL-JA HWANG** choreographer-curator:

**C**laude Wampler's *Knitase: Ms. LeFarge* gives another historical performance, a five-hour-long piece shown by Metamorphosis at Context Studios in July. The performance consists of a woman knitting and unraveling her dress, accompanied by music from a child's turntable. It was an intriguing blend of innocence and eroticism encapsulated in a small closed space, forcing both the audience and performers at Context to learn how to coexist in space and time—the purpose of the Metamorphosis process.”
